Concept Note on Odisha Development Fellow

In the Governing Body held on 5th October 2020, the proposal of having an association with scholars and individuals who would contribute towards building a narrative of prosperity and change was endorsed. Odisha Development Fellow, ODev-F is an attempt towards building this web of individuals and institutions and making them partners in Documentation.

PHDMA proposes to introduce activities for enabling documentation of the impact of various initiatives and schemes, the processes of growth and change in the state through means of reports, creating an eco-system for vibrant participation through seminars, webinars and workshops .

One such intervention is to do a series of documentation ,through compilation of Human Interest Stories , Impact & Outcome Analysis, Policy briefs, evaluation of selected Government Schemes, Case Studies etc. as mentioned in new amended By-Laws.

The following is a brief note on **Odisha development fellow (ODeV-F)**

I can be a ODeV-F, if

I wish:

To understand and appreciate processes of socio economic development.

To seek to know on Livelihood, Education, Health, Food Security and Nutrition, Inclusive growth, Technology in order to minimise inequalities.

Can write reports / articles / documents / presentations using data analysis which included data visualisation , creating summaries and reports that synthesise findings from the surveys for government stakeholders. Which can be useful for government decision-making, policy revisiting.

I can,

Prepare presentations, training materials, manuals and knowledge products for capacity building initiatives, publicity and branding.

Adequate exposure to methods of documentation as expressed in the advertisement.

ODev Fellow would be
